

AQUARIUS 4

TURF TYPE PERENNIAL RYEGRASS

The Solution For Winter Overseeding

Aquarius 4 is an ideal solution to Winter overseeding, with proven results backed by repeated use across the U.S. Southwest.

This Perennial Ryegrass has become a standard for good reasons, including:

- **Fine leaf texture**
- **Fast establishment**
- **Strong performance with transition**
- **Dark green color**

To keep your golf course or sports fields green through transition, call us about **Aquarius 4!**

Aquarius 4 is a Perennial Ryegrass seed ideal for winter overseeding in golf and sports field applications.
