

VIP3

Turf Type Perennial Ryegrass Blend

The Proven Perennial Ryegrass Blend

Anthem Country Club - Henderson, NV

VIP 3 is a Turf Type Perennial Ryegrass Blend, containing the top-ranked varieties, selected for their outstanding ease of transitioning, genetic dark green color, slower growth habit and exceptional fine leaf texture.

The result is unmatched quality and performance at an amazingly affordable price.

When you want to maintain your golf course at tournament quality conditions everyday, specify **VIP 3** for overseeding, and ask us about specific formulations for your course!

VIP 3 is a Perennial Ryegrass blend designed for overseeding golf courses to ensure optimum transitioning.
