

The Premier Choice for Superior Turfgrass Performance

Experience the remarkable performance of Bedazzled, one of the leading Kentucky Bluegrass varieties chosen by turfgrass professionals nationwide. Renowned for its outstanding turf quality, Bedazzled stands out with its rich, vibrant color and fine, attractive texture that create an unrivaled, visually appealing lawn.

Engineered to thrive in a wide range of management practices, Bedazzled features a compact growth habit and a slower growth rate, reducing maintenance needs and ensuring a consistently manicured appearance. Its exceptional disease resistance and remarkable tolerance to drought conditions make it an ideal solution for both residential and commercial landscapes seeking resilient, long-lasting beauty.

This innovative "America Type" Kentucky Bluegrass hybrid delivers superior adaptability, making it the obvious choice for those who demand quality and reliability from their turfgrass. Whether you're seeking low-input maintenance or high-performance results, Bedazzled fits seamlessly into any turf management program.

Discover the difference Bedazzled can make for your landscape. Contact TMI today to learn more about this unique Kentucky Bluegrass hybrid and elevate your turf to the next level.
